COOKIES

When you navigate on our site, information relating to your browsing may be stored in "Cookies" files that are stored in browsers. Cookies can be divided into two categories:

I.- Essential and strictly necessary cookies:

These are cookies that are essential to the proper functioning of the site and strictly necessary to provide a service that you have expressly requested from us. These essential cookies make it possible to memorize from one page to another the information you provide us during your browsing.

II - Cookies to analyze the site's audience:

They make it possible to establish anonymous statistics of page traffic on our site in order to improve its ergonomics and content. This data is not personalized. INNOVAMICS cannot identify who exactly visits the site.

PERSONAL DATA

In France, personal data are protected by Act No. 78-87 of 6 January 1978, Act No. 2004-801 of 6 August 2004, Article L. 226-13 of the Criminal Code and the European Directive of 24 October 1995.

Innovamics is committed to maintaining the confidentiality of personal information provided online by the Internet user. The information collected is the result of users' voluntary registration of their e-mail address and contact details. The recipient of this data is INNOVAMICS. In accordance with the French Data Protection Act of 6 January 1978, you have the right to access, rectify, delete and object to the processing of data concerning you. You can exercise this right by writing to us by post or by contacting us at contact@innovamics.com

Intellectual Property

All the elements reproduced on the site or its constituent, and in particular but not exclusively the texts, comments, contents, information, illustrations, images, graphics, videos, animations and brands (hereinafter together the "Elements") are protected under intellectual property law. These Elements are the exclusive property of INNOVAMICS. Consequently, any use of the Elements by anyone outside the use of the site as defined herein is strictly prohibited, except with the prior written consent of INNOVAMICS, and in particular the copying, reproduction, representation, modification, translation, creation of derivative products, distribution or any other exploitation, INNOVAMICS reserves the right to engage the liability of anyone who acts in violation of its intellectual property rights.
